

RATHFINNY

CORPORATE GIFTING BROCHURE

ABOUT RATHFINNY

Our family-owned Wine Estate, established in 2010 by Mark and Sarah Driver, is dedicated to producing some of the world's finest English sparkling wines from a perfect site in Sussex. Located on a wonderful south-facing slope in England's South Downs, the climate, chalk soil and aspect make it the perfect site for producing sparkling wine.

Our Traditional Method, vintage Sussex Sparkling wines are a true expression of our terroir. Produced from hand-harvested grapes that are whole-bunch pressed and patiently matured, on lees and in bottle to develop rich, autolytic notes, with a low sugar content that emphasises the purity of our fruit. We aim to preserve the wonderful natural flavours of the grapes with as little intervention as possible.

BEYOND RATHFINNY

As the first grower-producer sparkling winemaker in the world to receive B Corp certification, sustainability is at the heart of everything we do. We're part of a new wave of businesses that balance purpose and profit. This means we are legally required to consider the impact of every decision we make on the environment and wider society. You can rest assured that we are upholding the highest standards of environmental care and working conditions, driving innovation and being a force for change. Discover our sustainability initiatives on our website.

PREMIUM DISTRIBUTION

Our wines are stocked in leading restaurants, bars, hotels and independent retail in the UK with growing international distribution spanning from Canada and Norway to Japan, Hong Kong and beyond. You will not find us in supermarkets. With our close association to the world of gastronomy, we work with chefs and sommeliers to create the perfect pairings.

Our premium partners include: The Ritz, The Dorchester Collection, Paul Ainsworth at No. 6, Dinner by Heston Blumenthal, The Cadogan A Belmond Hotel, Le Manoir Aux Quat'saison, Selfridges and Harvey Nichols to name a few.
